Dear Valued Customer,

In October 2021, we shared the exciting news that the ZEISS acquisition of CAPTURE 3D had been finalized. For the past two years, behind the scenes, our teams have been working together on the post-merger integration to become **ONE ZEISS** – an even more unified, modern, innovative, and customer-focused team.

The purpose of this letter is to notify you that on October 1, 2023, CAPTURE 3D, LLC, and our team members will be transferred to Carl Zeiss Industrial Quality Solutions, LLC. Starting October 1, 2023, all legal and vendor documentation should be addressed to **Carl Zeiss Industrial Quality Solutions, LLC, at 6250 Sycamore Lane, North Maple Grove, MN 55369**, using their supplier/vendor code.

Due to this change, we are requesting you to sign an assignment consent. Please sign the below Consent to Assignment PDF to acknowledge your consent to the transfer of all existing rights and obligations and return it by email to [info.metrology.us@zeiss.com](mailto:info.metrology.us@zeiss.com) with the subject line "Consent to Assignment." In the interest of time, we ask that you send us the signed consent by **September 30, 2023**.

If you have any questions regarding the Assignment or this request for consent, please direct them to [info.metrology.us@zeiss.com](mailto:info.metrology.us@zeiss.com).

We're excited about this next journey in our transition, and we appreciate your assistance. Thank you in advance for your prompt attention to this matter.
